• • IMPORTANT INFO • •

All Vehicles are sold without Keys and working condition of vehicles is unknown. If a vehicle is stated to have a key that means a key was found in the vehicle and you will get it once you sign for the vehicle with CNO personnel.

Some vehicles may be branded with the following: Reconstructed, Water Damaged, Hail Damaged, Salvage, Not Actual Mileage and/or Exceeds Mechanical Limits (It will be listed on the lot description if this applies)

Any vehicles starting with the year 2011 and newer will require an odometer reading, which we could not obtain since there is no key. This means that before you can transfer the vehicle, you must have an odometer disclosure completed once you obtain the mileage.

Do Not Lose Your Vehicle Paperwork – Duplicate paperwork will cost \$150 to replace.
